

# ekl[i]pse

**Design iPod® Music System  
AU-3001**

eklipse, a multi-functioning design compact music system is the stylish way to listen to music. It is fully equipped with CD/MP3 player, FM/AM radio alarm clock, top loading iPod® dock and a matching radio frequency remote control that operates all functions from a distance -- including the iPod®. A golden OLED display, which provides crystal clear readout and a unique LED illuminated brushed metal navigation ring enhances its striking, minimalist form.

RF remote control

reddot design award  
honourable mention 2009
